**COURSE CONTENT:** The primary focus of this course is to show students how to proactively use sex offender registration and restriction violations as an intelligence and street level enforcement tool. This program will provide students with a standardized approach to conducting address verification checks and investigating sex offender complaints within their communities while addressing problems or issues specifically related to sex offender registration or restriction investigations.

### Topics to be addressed include:

- Sex offender terminology
- Sex offender and violent offender terminology in Illinois
- The application of sex offender registration violations at the federal level
- The sex offender and violent offender registration process and forms
- Notification issues and special considerations regarding sex offenders
- Health care provider issues (HIPAA)
- Illinois Department of Human Services programs
- Notification to school officials and other aspects of community notification and record keeping

Partial funding provided by Illinois Law Enforcement Training and Standards Board and MTU#1's request for certification of this course has been approved by the Illinois Law Enforcement Training and Standards Board
