COURSE CONTENT: Who should attend: Sworn police officers from the rank of Chief to Police/Sheriff to police officers and deputies. Active/recently retired chiefs of police teach this course. Nothing is as important to government services as the relationship between law enforcement and the public that is served. Recent inflammatory actions and news stories have had a severe impact on the perception of law enforcement. Agencies and individual employees must understand their role and that every action and statement that is made reflects on the profession as a whole.

This training will focus not only on individual employee attitudes and belief, but also organizational concepts that either enhances trust or perpetuates a lack of trust with the communities that are served.

Partial funding provided by Illinois Law Enforcement Training and Standards Board and MTU#1's request for certification of this course has been approved by the Illinois Law Enforcement Training and Standards Board
