INSTRUCTOR: Illinois Fire Institute

ICS 300 Intermediate ICS for Expanding Events

COURSE CONTENT:

This course provides training on and resources for personnel who require advanced application of the Incident Command System (ICS). The target audience includes all individuals who may assume a supervisory role in expanding incidents. This course expands upon information covered in ICS 100 and 200 courses. This course is required for those jurisdictions that choose to comply with the National Incident Management System (NIMS) ensuring they continue receiving their federal preparedness funding grants. We are recommending that jurisdictions identify middle management who will be acting in the role of incident commander or section chief during an event and enroll them in this course.

PREREQUISITES:

Each student must successfully complete the ICS 100 "An Introduction to the Incident Command System" ICS 200 "Basic Incident Command System for Initial Response" ICS 700 "An Introduction to the National Incident Management System" and ICS 800 "An Introduction to the National Response Framework" as a pre-requisite to the ICS 300 Intermediate ICS for Expanding Events. Completion certificates for these courses must accompany the student application

Partial funding provided by Illinois Law Enforcement Training and Standards Board and MTU#1's request for certification of this course has been approved by the Illinois Law Enforcement Training and Standards Board
