Mobile Team Unit #1 is funded in partnership with the Illinois Law Enforcement Training & Standards Board

Comprehensive DUI Awareness

DATE: March 13, 2019

Registration Ends: February 28, 2019

TIME: 8:00 AM—4:00 PM - 8 hours

LOCATION: Dixon Police Dept. 220 S. Hennepin Ave, Dixon, IL

INSTRUCTOR: Tony LeBron, (Retired) M/Sgt. Illinois State Police

Goal- At the completion of this training the experienced officer will be more knowledgeable concerning all aspects of impaired driving enforcement and prepare for or avoid future defense challenges.

Advanced DUI Training-Illinois law enforcement officers receive their initial DUI training from local training Academies. This training typically involves “DWI Detection and Standardized Field Sobriety Testing (SFST)”. This is the only training required by the Illinois Law Enforcement Training Board. Additional training, related to the arrest of the DUI offender, may include the Breath Analysis Operator (BAO) Course and drugged driving courses developed by NHTSA.

The detection, arrest and subsequent prosecution of DUI offenders has become extremely complex. Current training does not reflect changes made by the legislature regarding Implied Consent Warnings. Additionally, many officers are not aware of new curricula provided by NHTSA dealing with the alcohol or drug impaired drivers. Regrettably, information is not provided to officers concerning new breath technologies, chemical testing, and case law.

Objectives

Describe various NHTSA curricula	Define pharmacokinetics of alcohol
Define retrograde extrapolation	Review Standardized Field Sobriety Testing
Introduction of Non-Standardized Testing	Recognize Nystagmus and Other Drugs
Describe the various Implied Consent Warnings	Define common defense challenges
Describe the Administrative Rules for chemical testing	Describe limitations for chemical testing
Describe new breath testing techniques and technologies	Blood vs Urine testing

Partial funding provided by Illinois Law Enforcement Training and Standards Board and MTU#1’s request for certification of this course has been approved by the Illinois Law Enforcement Training and Standards Board
