SEXUAL ASSAULT AND SEXUAL ABUSE INVESTIGATIONS

100.1 PURPOSE AND SCOPE
The trauma of sexual assault and sexual abuse often leads to emotional, physical, and economic consequences for the victim. The diminished ability of victims to recover from their sexual assault or sexual abuse has been directly linked to the response of others to their trauma. The response of law enforcement can directly impact both a victim's ability to heal and his or her willingness to actively participate in the investigation by law enforcement.

Victim participation is critical to the successful identification and prosecution of sexual offenders, which can prevent new victimization. For this reason, improving the criminal justice system’s response to victims of sexual assault and sexual abuse is critical to protecting public safety.

100.2 POLICY
The \[]insert agency name\] will:
1. Treat sexual assault and sexual abuse as criminal conduct.
2. Respond to sexual assault and sexual abuse calls for assistance without unnecessary delay.
3. Take all reasonable steps to prevent retraumatization of sexual assault victims and ensure referrals for follow-up services are provided to victims and witnesses.

[725 ILCS 203/10]

“Law enforcement agency having jurisdiction” means the law enforcement agency in the jurisdiction where an alleged sexual assault or sexual abuse occurred. [725 ILCS 203/10]

[410 ILCS 70/1a; 725 ILCS 203/10]

“Sexual assault or sexual abuse” is defined in Section 1a of the Sexual Assault Survivors Emergency Treatment Act. [725 ILCS 120/4.5(a)]

5. Officers will provide notice to a victim if a closed case is reopened to resume the investigation, except where the State's Attorney determines that disclosure of such information would unreasonably interfere with the investigation. [725 ILCS 120/4.5(a-5)]

6. Victims may have a person, advocate, or attorney with them for the purposes of support or consultation.

MANDATORY NOTICE FOR SURVIVORS OF SEXUAL ASSAULT*

MEDICAL AND FORENSIC SERVICES

Survivors of sexual assault should seek medical attention as soon as possible. You may request transportation to the hospital.

Services Available
If you request medical forensic services, the hospital must offer a general medical exam, treat injuries, evaluate the need for medications, and collect forensic evidence. Upon request, a hospital must perform a forensic exam and complete an evidence kit up to 7 days after the assault regardless of your age.

Evidence Preservation
You may not be sure whether or not you want to participate in the criminal justice process right now, but it is important to know that critical evidence may be lost if you change clothes; bathe, shower or douche; use the restroom; eat; smoke; or brush teeth or gargle, depending on the nature of the attack.

The sooner the medical forensic exam is performed, the more evidence is available for collection.

Storage of Evidence
If evidence is collected from you, but you are unsure about allowing law enforcement to test the evidence, the evidence will be stored for 5 years or, if you are under the age of 18, until your 23rd birthday. You can consent to test the evidence at any time during this period.

You will NOT be billed for any services provided in the emergency room. In addition, if you are eligible, the hospital will give you a voucher for 90 days of follow-up care.

CIVIL NO CONTACT ORDERS / ORDERS OF PROTECTION
Survivors of sexual assault may petition for a Civil No Contact Order (CNCO) or an Order of Protection (OP) that can order the offender to:

- Stay away from you and away from specific locations, such as your residence, your work, and your school
- Have no contact with you

The CNCO or OP can be obtained in civil court at a local courthouse. You will not pay a fee for requesting the order. While you can obtain a CNCO or OP on your own, it is best done with the assistance of an advocate or attorney. If the courthouse is closed but a judge is available, you may request that the officer provide or arrange transportation to the judge.

You may be able to obtain sexual assault support services for free. These services include advocacy, counseling, assistance with information about the medical forensic exam, understanding the criminal justice system, and obtaining a Civil No Contact Order or an Order of Protection.
