

Saint Michael's House

Protecting Those Who Protect Us

We are pleased to announce the opening of the inpatient and outpatient addictions center dedicated to law enforcement officers (LEOs). Saint Michael's House is an exclusive and highly confidential destination program focused on the treatment of those who serve and protect local and statewide communities within Illinois.

Understanding the stigma associated with seeking addiction treatment, Saint Michael's House provides confidential addiction treatment services in a discreet and exclusive location. We have partnered with local law enforcement leaders to understand and address LEOs who are experiencing addiction issues.

Saint Michael's House will be a place of comfort and healing providing a path to recovery and overall health that promotes officer wellness in a secure and confidential environment.

Saint Michael's Prayer

*Saint Michael
the Archangel,
defend us in
battle, be our
protection against
the malice and
snares of the
devil. May God
rebuke him we
humbly pray; and
do thou, O Prince
of the Heavenly
host, by the
power of God,
thrust into hell
Satan and all evil
spirits who
wander through
the world for the
ruin of souls.
Amen.*
